MM Docket No. 98-162

RM-9263

To: Chief, Mass Media Bureau

PETITION FOR RECONSIDERATION

Southern Broadcasting of Pensacola, Inc., ("Southern Broadcasting"), by its attorneys, and pursuant to Section 1.429 of the Commission's Rules respectfully requests the Chief, Mass Media Bureau, to reconsider the action of the Chief, Allocations Branch, made under delegated authority in the Report and Order, *Toccoa and Sugar Hill, Georgia*, DA 00-1734, released July 20, 2001. Public Notice was given in 66 Fed. Reg. 39456, published July 31, 2001 (herein "*R&O*")¹ The *R&O* granted Southern Broadcasting's initial request to reallocate FM Channel 291C1 from Toccoa to Sugar Hill, Georgia, and modify the license of WNGC, Toccoa, for operation at Sugar Hill. Southern Broadcasting shows herein that the Commission erred in its *R&O*, and that the Bureau should reverse its action and allocate Channel 291C1 to Lawrenceville, Georgia, as Southern Broadcasting counterproposed. In any event, Southern Broadcasting is no longer desirous of relocating WNGC to Sugar Hill, Georgia, and is withdrawing its

¹ As public notice was given on July 31, 2001, pursuant to Section 1.4 of the Rules, this petition is timely filed by August 30, 2001.

No. of Copies Rec'd 053
DATE 08/30/01

expression of interest relative thereto. In support, Southern Broadcasting shows the following:

Background

At the request of Southern Broadcasting, the Commission issued a *Notice of Proposed Rule Making*, 13 FCC Rcd 17750 (1998) proposing to allot Channel 291C1 to Sugar Hill, Georgia. The Commission designated November 2, 1998, as the deadline for filing comments and counterproposals in this docket, and on November 2, 1998, Southern Broadcasting timely filed “Comments and Counterproposal” that proposed instead the reallocation of Channel 291C1 from Toccoa to Lawrenceville, Georgia and the modification of WNGC to specify Lawrenceville as its community of license.² In its *R&O*, the Allocations Branch did not consider or even mention the Lawrenceville counterproposal. It was clearly overlooked by the Allocations Branch. In light of this, Southern Broadcasting respectfully requests reconsideration of the action taken in the Report and Order.

The Lawrenceville Counterproposal Was Not Considered

Attached hereto, and incorporated by reference herein, is a copy of Southern Broadcasting’s “Comments and Counterproposal” that proposes to relocate WNGC from Toccoa to Lawrenceville, Georgia. The counterproposal requires a waiver of Section 73.313(c) of the Rules in order to consider Southern Broadcasting’s supplemental showing of community coverage using the point-to-point prediction model in MM Docket 98-93 [*Notice of Proposed Rule Making and Order (Streamlining of Radio Technical Rules)*, FCC 98-117, released June 15, 1998 (pars. 31-35)]. The Commission has not yet acted on that aspect of MM Docket 98-93.

² At the time of the Comments and Counterproposal WNGC was known as WSTE-FM, Toccoa, Georgia.

Southern Broadcasting understands that the staff is burdened with a mountain of paperwork, and that the counterproposal could easily have been overlooked. However, the counterproposal was posted on the Commission's Electronic Comments Filing System website (from which the attached copy was obtained). Since the Allocations Branch never dealt with Southern Broadcasting's Counterproposal, it should be promptly placed on a public notice and processed as a part of this proceeding.

Withdrawal of the Supplement of February 25, 1999

On February 25, 1999, Southern Broadcasting filed a "Supplement to Comments and Counterproposal" in which Southern Broadcasting stated that in light of the numerous comments filed in MM Docket 98-93, the likelihood that the Commission would quickly authorize point-to-point prediction model was in doubt. Therefore, Southern Broadcasting indicated that if the Commission determined that it would not promptly grant a waiver of the Rules to permit the use of Channel 291C1 at Lawrenceville, Southern Broadcasting would remain ready to relocate WSTE-FM [now WNGC] to Sugar Hill, Georgia, as originally proposed. This Supplement was also not considered in the Report and Order. However, more than two years have now elapsed since the February 25, 1999, supplement was filed and a number of factors have changed such that Southern Broadcasting is no longer willing to relocate WNGC to Sugar Hill, Georgia. **Therefore, Southern Broadcasting hereby withdraws its "Supplement to Comments and Counterproposal" filed February 25, 1999 and its expression of interest contained therein.** If the Commission chooses not to permit WNGC to relocate to Lawrenceville, Georgia, as proposed in the Comments and Counterproposal, then Southern Broadcasting requests the Commission to terminate this proceeding without

modification of the license of WNGC so that Channel 291C1 remains in Toccoa, Georgia.

Summary

In summary, Southern Broadcasting seeks the reallocation of Channel 291C1 from Toccoa to Lawrenceville, Georgia. If the Commission refuses to order this reallocation, Southern Broadcasting requests the Commission to terminate this proceeding without reallocating Channel 291C1 to Sugar Hill, Georgia.

Respectfully submitted,

COMMENTS AND COUNTERPROPOSAL

Southern Broadcasting of Pensacola, Inc. ("Southern"), by its attorneys, and pursuant to Section 1.420(d) of the Commission's Rules, hereby respectfully submits its Comments and Counterproposal to the Commission's Notice of Proposed Rule Making ("NPRM"), DA 98-1785, released September 11, 1998,^{1/} proposing to reallocate Channel 291C from Toccoa, Georgia, to Sugar Hill, Georgia, as Channel 291C1. Southern here counterproposes that the Commission instead amend Section 73.202(b) of the Rules to (a) delete Channel 291C from Toccoa, Georgia, (b) add Channel 291C1 at Lawrenceville, Georgia, and (c) modify the license of

^{1/} This counterproposal is mutually exclusive with the proposal to allocate Channel 291C1 to Sugar Hill, Georgia. Comments and counterproposals are due November 2, 1998, so this counterproposal is timely filed. Lawrenceville has been added to the caption.

WSTE-FM, Toccoa, Georgia, to specify Lawrenceville, Georgia as that station's community of license. In support thereof, the following is stated:

I. Background and Summary of Argument

1. WSTE-FM, Channel 291C, Toccoa, Georgia, is licensed to Southern. Southern requests the Commission to delete Channel 291C from Toccoa and to reallocate it as Channel 291C1 at Lawrenceville, Georgia, with a concurrent modification of the license of WSTE-FM to operate on Channel 291C1 at Lawrenceville. This change is permissible under Section 1.420(i) of the Rules, which authorizes the Commission to modify the license or permit of an FM station to specify a new community of license where the amended allotment would be mutually exclusive with the licensee's present allotment.

2. Two factors must be demonstrated in a rule making proceeding in order to change a station's city of license: (1) the channel changes must be mutually exclusive, and (2) the rule making must not deprive a community of an existing service representing its only local transmission service. The Commission has stated that it would "take into account the totality of the service improvements resulting from a proposed change in community of license in determining whether an allotment proposal should be approved." Modification of FM and TV Authorizations

(New Community of License), 4 FCC Rcd 4870, 66 RR 2d 877 (1989), recon. granted in part, 5 FCC Rcd 7094 (1990) (Change of Community MO&O). Southern's proposal is consistent with these rules and policies, i.e., the channel changes are mutually exclusive, and as shown in Paragraph 5, infra, the allotment of Channel 291C1 at Lawrenceville will not deprive Toccoa of its only local transmission service.

II. Expression of Continuing Interest

3. If the Commission allots Channel 291C1 to Lawrenceville, Southern will promptly file an application for a minor change construction permit to operate WSTE-FM at Lawrenceville, and upon grant, will promptly construct and operate the facilities.

4. Attachment A is a Technical Statement, which is incorporated herein by reference, that provides the Commission with technical information about the proposed Toccoa/Lawrenceville channel change.

III. The Communities at Issue

5. Toccoa, Georgia. Toccoa (1990 population - 8,266) is presently served by WNEG-TV, Channel 32 (647 visual ERP and 835 ft. HAAT) and by three radio stations: WLET(AM), established May 9, 1941, and authorized to operate on 1420 KHz with power of 5 kw during daytime hours; WNEG(AM), established April 21, 1956, and

authorized to operate on 630 KHz at 500 watts during daytime hours; and by WSTE-FM, established in November 1947, and authorized to operate on 106.1 MHz with ERP of 100 kw and HAAT of 1,132 feet. Thus, Toccoa will not be deprived of its only local transmission service. Change of Community MO&O, 5 FCC Rcd at 7097 ("Consistent with Commission precedent, [footnote omitted] we will consider ... daytime ... AM stations as local aural transmission services.")

6. Lawrenceville, Georgia. Lawrenceville is the county seat of Gwinnett County, Georgia. Lawrenceville had a 1990 population of 17,588 and Gwinnett County a 1990 population of 352,910. Lawrenceville was incorporated in 1821. It is governed by a mayor and four councilpersons. Day-to-day government operations are administered by the City Clerk, the Superintendent of Utilities, and the Chief of Police. There are nine municipal departments within Lawrenceville: Public Safety, Planning, Zoning and Inspections, Data Processing, Electric, Water, Gas, Streets, Sanitation and Safety, Meter, and Vehicle Maintenance. Lawrenceville has approximately 180 employees, including a police force of 52 officers. A major medical center (Gwinnett Medical Center) is located within the city limits along with schools and a library to serve the growing population.

7. The following table displays the current employment in

Lawrenceville listed by industry:

<u>Industry</u>	<u>Number of Businesses</u>
Construction	106
Finance/Real Estate	36
Manufacturing	100
Professional	106
Retail	412
Service	640
Wholesale	100

8. The city of Lawrenceville provides electrical services to approximately 6,500 residential electrical customers and 1,000 commercial electrical customers in the city limits with predicted growth to a total of 13,000 electrical consumers by the year 2010. As a municipal utility the City of Lawrenceville provides natural gas service to a customer base which exceeds 14,000.

9. Transportation to the City is provided by numerous state and federal highways, the CSX rail line and Briscoe Field Airport, one of the busiest airports in North Georgia.

10. In sum, Lawrenceville possesses the requisite "social, economic and cultural components that are commonly associated with community status." FM Table of Allotments (East Hemet, CA), 67 RR 2d 146, 147 (1989).

11. Lawrenceville has experienced rapid growth over the last three and one-half decades (1960 - 1995). It's 1960 population (3,804) increased 34% to 5,115 in 1970, 75% between 1970 and 1980 (8,928), 97% between 1980 and 1990 (17,588) and 15% between 1990 and 1995 (estimated 20,226). Lawrenceville's population is projected to increase 14% by the year 2000 (22,970), 16% between 2000 and 2005 (26,645) and 18% between 2005 and 2010 (31,354). Southern believes that Lawrenceville is the largest city in the State of Georgia without a present or proposed local aural transmission service.

12. Lawrenceville complies with the three principal criteria utilized by the Commission to determine if a first local service to a community within an urbanized area is warranted. FM Table of Allotments (Headland, Alabama and Chattahoochee, Florida), 10 FCC Rcd 10352, 10355 (1995) and cases cited therein.^{2/} First, as demonstrated in the annexed Technical Statement (Attachment A hereto), WSTE-FM will provide a minimum signal coverage within the Atlanta Urbanized Area. In particular, WSTE-FM will serve 278,061 persons and 2,346,184 square kilometers within the Atlanta Urbanized Area. These figures constitute 9.81% of the total population and 16.7% of the

^{2/} Huntington Broadcasting Co. v. FCC, 192 F.2d 33 (D.C. Cir. 1951); RKO General (KFRC), 5 FCC Rcd 3222 (1990); and Faye and Richard Tuck, 3 FCC Rcd 5374 (1988).

total area within the Atlanta Urbanized Area.

13. Second, while Atlanta's 1990 population (394,017) is much larger than Lawrenceville's (17,588), the two communities are not adjacent. Indeed, Lawrenceville is located approximately 30 miles northeast of the Atlanta city center, and as a circa 175 year old municipality and the County Seat of Gwinnett County government, it is plainly independent of the central city.

14. Third, as shown above, Lawrenceville has sufficient community indicia to impel a finding that it is independent of and not significantly interdependent on Atlanta. In particular, Lawrenceville has its own local government, which provides an array of services to its citizens (public safety, planning, zoning and inspections, public utilities, etc.). Lawrenceville is also the seat of Gwinnett County Government. Lawrenceville has its own post office and zip codes (30042-46) and Gwinnett County has its own telephone directory.^{3/}

15. Lawrenceville is also served by elementary schools (e.g., Benefield Elementary, Bethesda Elementary, Cedarhill Elementary, J.G. Dyer Elementary, Jackson Elementary, Kanoheda Elementary, Lawrenceville Elementary, McKendree Elementary),

^{3/} The April 1998 edition of the Greater Gwinnett County telephone directory includes 701 white pages and 1,070 yellow pages. Selected pertinent pages are attached as Attachment B hereto.

middle schools (Alton C. Cruz Middle, Creekland Middle, Five Forks Middle, J.E. Richards Middle), high schools (Phoenix High, Central Gwinnett High, Maxwell High School of Technology) and the Gwinnett Intervention Education Center. Lawrenceville also has its own health facilities, a broad diversity of businesses and churches (75+) and Gwinnett County has its own Chamber of Commerce and newspaper (Gwinnett Daily Post), which are both located in Lawrenceville. In sum, the weight of the evidence demonstrates that Lawrenceville is sufficiently independent from Atlanta and that Southern's instant proposal warrants consideration as a first local aural service.

IV. Other Public Interest Considerations

16. Southern proposes to operate WSTE-FM from the transmitter site as authorized in its construction permit (BPH-970325IC), so there is no need for a gain or loss study.^{4/}

17. As shown in the attached Technical Statement, Lawrenceville would be entirely covered by a 70 dBu or better signal from WSTE-FM, utilizing the "point-to-point" method of

^{4/} The coordinates for Channel 291C1 at Lawrenceville are 34-22-41 North Latitude; 83-39-30 West Longitude. Southern's technical study uses the authorized height of radiation center above mean sea level (616 meters). The application, as amended (BPH-970325IC), granted October 22, 1997 also includes reasonable assurance of the availability of the transmitter site (Ibid., Section VII - Certification) and the FAA Determination of No Hazard (AS No. 97-ASO-1165-OE issued August 22, 1997) (Amendment filed September 12, 1997).

predicting city grade coverage.^{5/} Thus, modification of the license for WSTE-FM to specify Lawrenceville would be consistent with the Commission's city-grade coverage requirements.

18. The Commission's priorities for assigning FM allotments are set out in Revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1982). They are: (1) first aural service, (2) second aural service, (3) first local service, and (4) other public interest matters. Co-equal weight is given to priorities (2) and (3). Here, first local aural service to Lawrenceville (1990 population - 17,588) is greatly preferred to the retention of a third local aural service at Toccoa (1990 population - 8,266) inter alia because of Lawrenceville's greater population. FM Table of Allotments (Athens and Atlanta, Illinois), 11 FCC Rcd 3445 (1996). Thus, a preferential arrangement of allotments would result from the allotment of Channel 291C1 to Lawrenceville.

^{5/} The Commission proposes to authorize use of the supplemental point-to-point prediction model in MM Docket No. 98-93, Notice of Proposed Rule Making and Order (Streamlining of Radio Technical Rules), FCC 98-117, released June 15, 1998 (Pars. 31-35). Southern requests a waiver of such procedures or rules (e.g., Section 73.313(e)) as may be necessary or appropriate to consider Southern's technical showing. The provision of a first local aural service to Lawrenceville, a community of substantial size (1995 estimated population - 20,226) is a compelling, public interest justification for such waiver.

V. Short-Spacing Policy

19. In its NPRM (Pars. 4,5), the Commission observed that heretofore it has permitted grandfathered FM stations to specify a new community of license where the proposal did not involve any change in the technical facilities of the station. Table of Allotments (Newnan and Peachtree City, Georgia), 7 FCC Rcd 6307 (1992). It pointed out that in Newnan and Peachtree City, supra, it reasoned that grandfathered (pre-1964) FM stations were in compliance with the Commission's rules when authorized and should be afforded the same opportunity to change their community of license as other stations authorized in conformity with the rules. The Commission requested specific comment on whether this policy should be continued and, if so, whether it should be extended to post-1964 FM stations that are not now in conformity with current spacing requirements.

20. Southern believes the Commission's policy is sound, should be continued, and, in the absence of countervailing considerations, extended to post-1964 FM stations. As the Commission observed, its policy simply preserves the status quo, that is, one allotment not complying with current spacing requirements is removed and replaced by an allotment that also does not comply with current spacing requirements at a new community with a greater need for service. Certainly the

continuation and extension of the policy would comport with the allocation considerations of Section 307(b) of the Communications Act.

VI. Conclusion

21. Southern requests the Commission to (a) allot Channel 291C1 to Lawrenceville, and (b) modify the license of WSTE-FM to operate on FM Channel 291C1 at Lawrenceville. As stated, supra, if the FCC modifies the license of WSTE-FM to operate on Channel 291C1 at Lawrenceville, Southern will timely file an application for minor change construction permit to operate WSTE-FM at Lawrenceville, and upon grant thereof, Southern will construct the new facilities and operate them.

WHEREFORE, Southern respectfully requests the Commission to amend Section 73.202(b) of the Commission's Rules, as follows:

Georgia		
	<u>Present</u>	<u>Proposed</u>
Toccoa	291C	----
Lawrenceville	----	291C1

ATTACHMENT A

WSTE-FM - Channel 291C1
Counterproposal
Docket Number 98-162
RM-9263

This Technical Statement, and related exhibits, have been prepared on behalf of Southern Broadcasting of Pensacola, Inc., licensee of WSTE-FM, Toccoa, Georgia. Its purpose is to support a counterproposal in the above-referenced rule making to allot Channel 291C1 to Lawrenceville, Georgia as that city's first local aural service.

Attached as Exhibits 5 and 5A are a Channel 291 spacing study from the current allotment coordinates. From these coordinates, WSTE-FM is fully spaced to all stations except WYAY(FM), Gainesville, Georgia, as to which it is grandfathered (that is, WSTE-FM was authorized prior to November 16, 1964).

Exhibits 1 and 1A are a coverage plot utilizing the Point-to-Point method of predicting coverage, as proposed in MM Docket No. 98-23 (Streamlining of Radio Technical Rules, FCC 98-117, released June 15, 1998 (Appendix B thereto)). Exhibits 1 and 1A show that from the proposed allotment coordinates, the proposed 70 dBu contour will fully encompass the city of Lawrenceville, Georgia.

Exhibits 2 and 2A are a coverage plot utilizing the FCC F-50:50 method of calculating proposed coverage.

Lawrenceville (1990 population - 17,588) is an independent city located within the Atlanta Urbanized Area (see Exhibit 3A, a map from the U.S. Department of Commerce, Bureau of Census). Exhibit 3 depicts the proposed WSTE-FM contour, using the PTP method described in Appendix B to Streamlining of Radio Technical Rules, supra. Exhibit 3B lists the total county population and area within the Atlanta Urbanized Area. The total population is 2,833,511 persons and the total area is 14,118,616 square kilometers. Exhibit 3C is the total population and total area located within the proposed WSTE-FM contour. The total population located within the proposed contour is 278,061 and the total area is 2,346,184 kilometers, which is 9.81 percent of the total population and 16.7 percent of the total area within the Atlanta Urbanized Area.

Southern Broadcasting of Pensacola, Inc., counterproposes the allotment of Channel 291C1 to the city of Lawrenceville, Georgia. The technical qualifications of the undersigned are on file with

the Commission. This Technical Statement and related exhibits are believed to be true and correct.

Respectfully submitted,

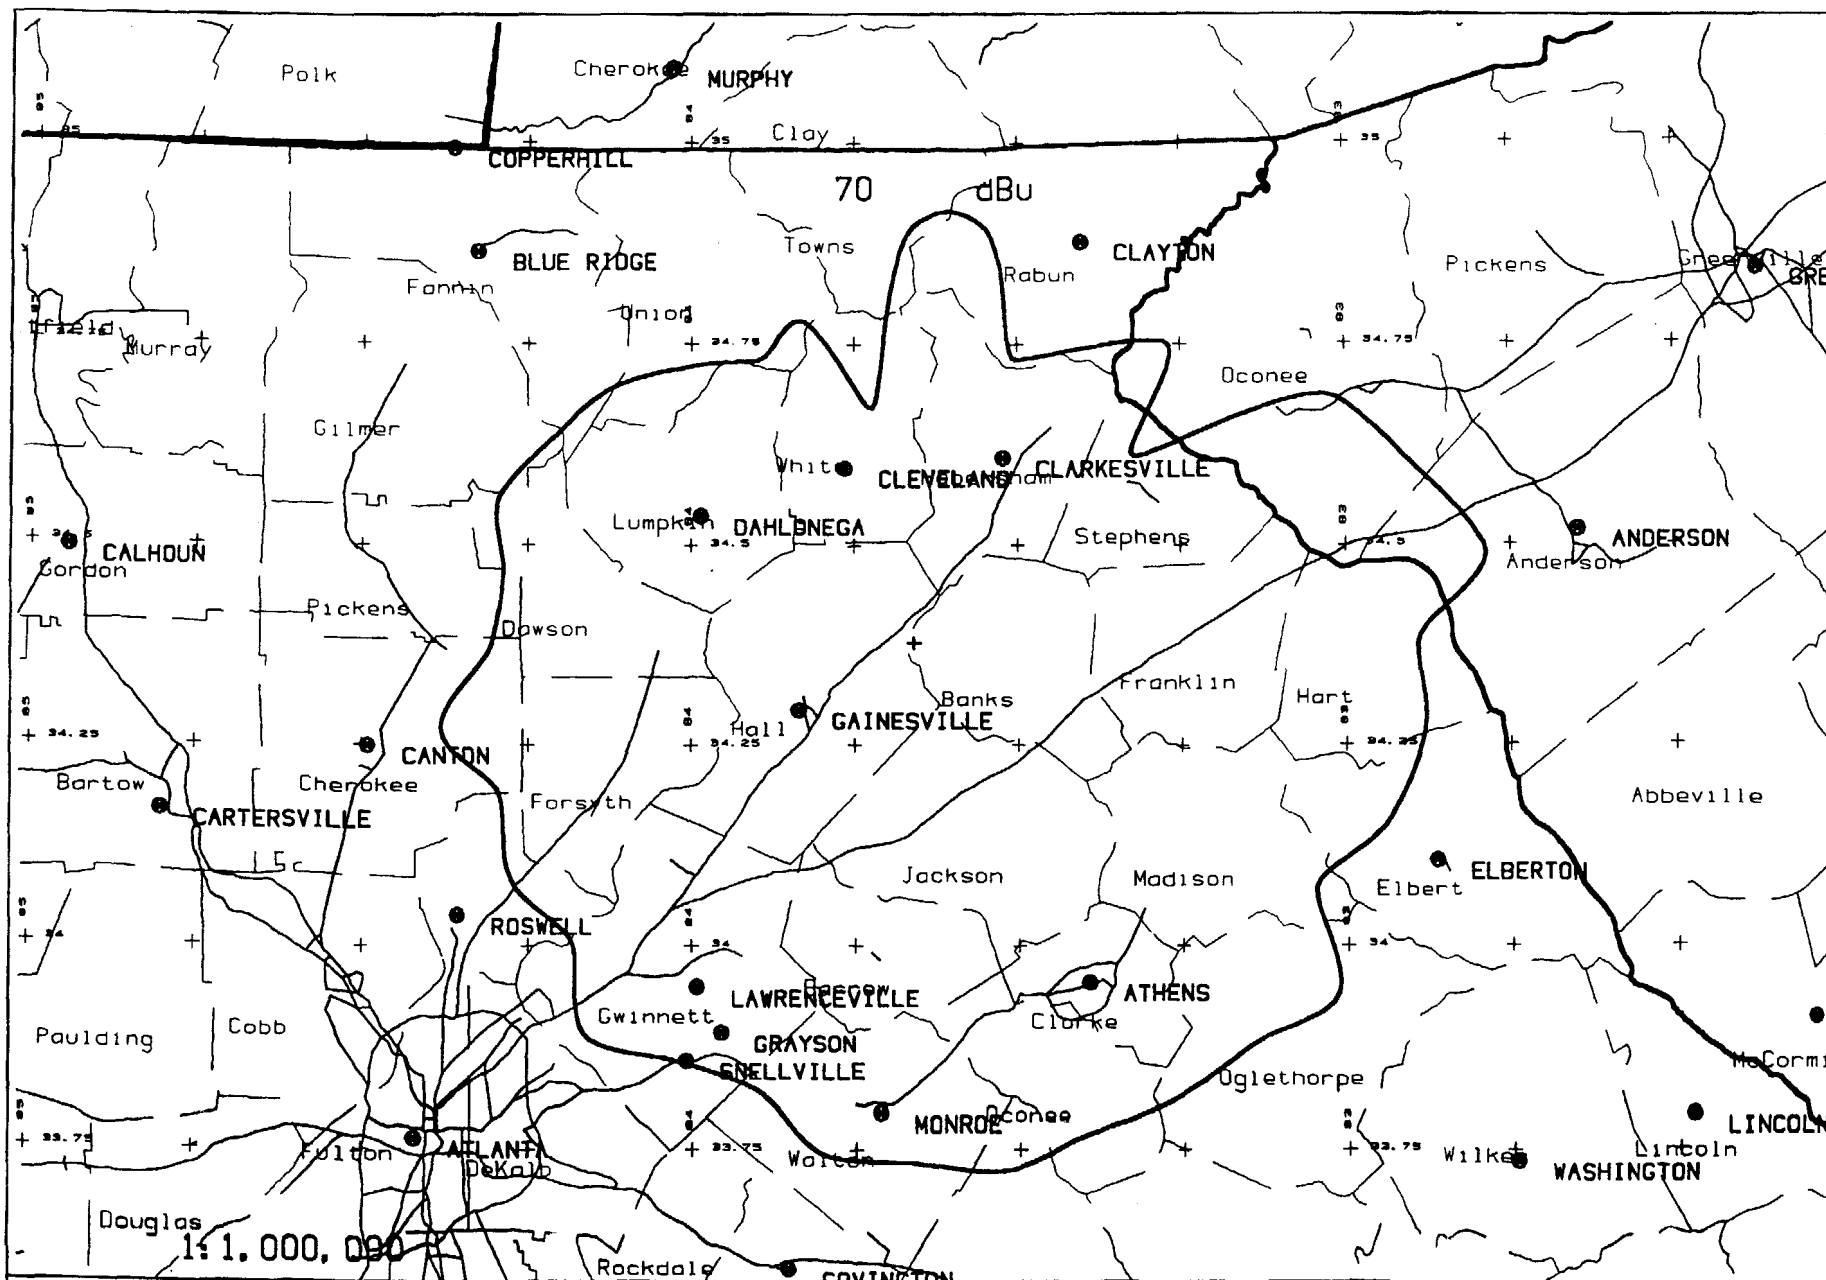

A handwritten signature in dark ink, appearing to read "Clyde Scott, Jr.", is written over a horizontal line. To the right of the signature, the date "10/24/88" is handwritten.

RECYCLING

Gwinnett County offers many opportunities for recycling, with recycling locations being provided by both the public and private sector. Curbside recycling is offered in many areas, plus citizens can recycle their materials through drop-off or buy-back collection programs. Materials currently recycled in Gwinnett include: newspaper, aluminum and steel cans, glass bottles and jars, plastic bottles #1 and #2, magazines, corrugated cardboard, white computer/office paper, telephone books and even Christmas trees. In addition to commercial recycling locations, Gwinnett Clean & Beautiful operates two recycling centers.

Recycling Bank of Gwinnett

4300 Satellite Boulevard, Duluth

Recycling Bank of Lawrenceville

412 Hurricane Shoals Road, Lawrenceville

For more information on recycling, call:

Gwinnett Clean & Beautiful's Recycling Hotline
770-822-5186

TELEPHONE BOOK RECYCLING

"The Real Yellow Pages®" are fully recyclable. Telephone directories are delivered only once a year, so don't miss the opportunity to do something good for the environment. For information on telephone directory recycling programs taking place in your community, please see the Real Consumer Tips® information found in "The Real Yellow Pages®" section under the heading of "Recycling Centers."

GEORGIA OGLETHORPE AWARD

The Georgia Oglethorpe Award is the highest level of state recognition for performance excellence that a Georgia organization can receive. It is based on the Malcolm Baldrige Quality Award Criteria.

The mission of Georgia Oglethorpe is to recognize performance excellence, drive continuous improvement and celebrate the achievements of Georgia's private and public organizations.

It is unique in focusing on performance excellence for all Georgia organizations — business, industry, government, education, healthcare and non-profit.

Georgia Oglethorpe serves as a model for how a public and private partnership can make a difference.

Applications are due July 1 each year. The annual conference and awards banquet is held in March.

BellSouth is proud to be a charter sponsor of the Georgia Oglethorpe Award Process.

GOAP is a non-profit organization supported by private contributions.

404-651-8405

Attractions

The Buford Artists Colony

Located on Main Street in the historic tannery town of Buford, the Artists Colony is a collective of some 30 artisans including jewelers, potters, painters, furniture-makers and other artists. Galleries, studios and cafes line Main Street. Visitors can browse through the Museum on Main Street, or enjoy Buford's "Artrageous Art Walk," held the second weekend of each month.

37 East Main Street, Buford

770-945-1660

Chateau Elan

This 3,100-acre complex is a winery and a full-service resort. It includes more than 200 acres of vineyards and a visitor's center built in the style of a 16th century French chateau. The chateau houses an art gallery, two restaurants and three large murals depicting the history of winemaking, a Paris train station and a French town square. The visitor center is open year-round, 7 days a week, for free tours and tastings. Chateau Elan also has a large inn, an 80

room lodge, four other restaurants, three 18-hole golf courses, a 9-hole, par 3 course, European spa, tennis complex, equestrian show ring center and authentic Irish Pub.

△ I-85 at Ga. Hwy 211 (Exit 48)

770-932-0900

Chattahoochee River Recreation Areas

Two units of the more than 4,200-acre Chattahoochee River National Recreational Area are located in Gwinnett County: Abbotts Bridge off Hwy. 120 and Medlock Bridge off Medlock Bridge Road. The areas offer fishing, picnicking, boat ramps and walking trails.

Gwinnett Fine Arts Center

The 14,000-square-foot Gwinnett Fine Arts Center, located adjacent to the Gwinnett County Civic & Cultural Center, houses galleries, a sculpture garden, a gift shop, a ceramic studio and art classrooms. A new Children's Museum is planned for completion in 1999 and will include exhibits, interactive displays and classes. The Arts Center is headquarters for the Gwinnett Council for the Arts, which presents year-round visual arts exhibits, a performing arts series, special events and art classes. The Council also has a gallery in Norcross, at 116 Carlyle Street, for exhibitions and working space for artists. The Norcross building also houses the Norcross Baseball Museum.

Gwinnett Fine Arts Center

△ 6400 Sugarloaf Parkway, Duluth

770-623-6002

Gwinnett County Civic & Cultural Center

The Gwinnett County Civic & Cultural Center is a multi-purpose facility that serves as both a convention and exhibition center and as a home for the performing arts. The recently renovated facility includes an exhibition hall with some 50,000 square feet of convertible space, 14 executive meeting rooms, a ballroom with some 6,000 square feet, an on-site caterer and a 700-seat Performing Arts Theatre. For a seating diagram of the Performing Arts Theatre, see the "Theatres" and "Ticket Sales" section in "The Real Yellow Pages".

△ 6400 Sugarloaf Parkway, Duluth

770-623-4966

Gwinnett History Museum

The Gwinnett History Museum is located in the historic Lawrenceville Female Seminary, listed on the National Register of Historic Places. The museum houses a variety of Georgian historic and folk artifacts all related to the history of Gwinnett County and its people. Some of the displays interpret 19th through early 20th

century school days, farm life, religion and fine examples of folk furnishings crafted by natives of the county. Museum hours are: Monday – Thursday, 10 a.m. – 4 p.m., and Saturday, noon – 5 p.m.

(Δ First Floor) 455 Perry Street,
Lawrenceville
770-822-5178

Historic Courthouse

Gwinnett County has a number of interesting historical structures, including the Gwinnett Historic Courthouse (1885) on the square in downtown Lawrenceville. The courthouse is open free to the public for tours Tuesday – Friday, 10 a.m. – 4 p.m. The Gwinnett Historical Society (822-5174) operates the Gwinnett History Center on the second floor of the Historic Courthouse and can provide information on the county's historic attractions, such as the Elisha Winn Home (1812).

Δ 185 Crogan Street, Lawrenceville
770-822-5450.

Lake Lanier Islands

One of the busiest and most popular recreation lakes in the United States, the 1,200-acre Lake Lanier Islands complex offers a variety of activities, including boating, fishing, water skiing, sailing, picnicking and horseback riding. The Beach and Water Park features water slides, a wave pool, recreation boats, a mini-golf course and a white-sand beach. A \$10 million expansion is planned in 1998, including 30 new rental lake houses, a new interactive water attraction and a new 65-passenger excursion boat. Also part of the complex are two resort hotels and two 18-hole golf courses.

Δ 6950 Holiday Road, Buford
770-932-7200

Lanier Museum of Natural History
Operated by the Gwinnett County Parks and Recreation Division, the museum focuses on the county's natural and cultural history. Attractions include a reptile collection, wildlife exhibits and a butterfly garden. Special events and programs are scheduled year-round. Call for information on programs and tours.

2601 Buford Dam Road, Buford
770-932-4460

Old Town Lilburn

This popular shopping area preserves a pocket of old, small town Georgia. A collection of small shops and a cafe are housed in historic commercial buildings, an old neighborhood gas station and a victorian house.

Main Street, Lilburn
770-921-2210

Road Atlanta

This major motorsports facility is located in scenic natural surroundings. Currently undergoing a major reconfiguration and renovation, the 2.5-mile road course attracts top international racing stars. More than 30 races per year are open to the public, and in 1998 Road Atlanta will be the host to the Petit LeMans, one of the world's largest international road races.

Δ I-85 at Hwy. 53, Braselton
770-967-6143

R.W. Goodtimes

This 55,000 square-foot emporium has more than \$2 million dollars in interactive, high-tech video activities, plus two full-service restaurants, a huge bar, a kid's malt shop and giant redemption center.

Δ 5675 Jimmy Carter Blvd., Norcross
770-248-9400

Southeastern Railway Museum

This 12-acre, open-air museum features more than 90 pieces of rolling stock including vintage steam locomotives, the historic Presidential Pullman car "Superb," World War II troop kitchens and wooden freight cars. Train rides are available on the museum's 3/4-mile loop track April – November. The museum is planning to move to a new, 30-acre complex in late 1998 with space for additional exhibits, a library and parking. The museum is open Saturdays, 9 a.m. – 5 p.m., and the third Sunday of each month, noon – 5 p.m. Call for special event and tour information.

3966 Buford Hwy., Duluth
770-476-2013

Stone Mountain Park

The main attraction at the 3,200-acre park is, of course, the mountain itself, the world's largest exposed mass of granite featuring the famous carving of Confederate heroes. The park offers

Stone Mountain Park

Photo courtesy Stone Mountain Park

lodging, camping, swimming, fishing, tennis and golf. It has picnic areas, a skylift, a beach, a 19-building antebellum plantation, a paddlewheel riverboat, a scenic railroad, a wildlife preserve and petting zoo, and a museum highlighting the history of the carving. Special events are held throughout the year and a laser show is presented on the mountain's face during the spring through fall months.

Δ Highway 78, Stone Mountain
770-498-5690 or 770-498-5702

Vines Botanical Gardens

This beautiful, recently renovated 90-acre estate in Loganville features 25 acres of cultivated gardens with a large lake and statuary and an 18,000-square-foot Manor House with restaurant, lounge, ice cream parlor and bakery. Vines horticulturists offer educational classes, field trips and docent workshops. Special events and tours are held year-round.

Δ 3500 Oak Grove Road, Loganville
770-466-7532

Yellow River Game Ranch

This see-and-touch attraction features such animals as deer, buffalo, fox, bears, mountain lions and raccoons in a 24-acre naturally wooded preserve along the banks of the Yellow River. The game ranch is the home of General Beauregard Lee, Georgia's official prognosticator for Groundhog Day. Open 7 days a week at 9:30 a.m.; closing varies by season.
